**H/SS = Humanities / Social Sciences - all MAE students must take one humanities course and two social science courses from the University education requirement; PHIL 1235, and two additional humanities or social science or non-technical courses from SEAS/MAE Department's pre-approved list of electives.**

**Technical Elective:** Shall be selected from among the MA 3000, 4000, or 6000 level courses, except that the following are excluded: MAE 3171, 4172, 6298, 6999. All technical electives must be approved by the undergraduate advisor. Technical courses from other departments (3000, 4000, or 6000 level) may be permitted, on a case-by-case basis, if approved by both the undergraduate advisor and department chair.  
**ASME membership recommended**  
**FE Exam recommended in the senior year**

**Medical Prep students** are recommended but not required to take an introductory psychology or sociology course, such as PSYC 1001, and a biochemistry course, such as CHEM 3165, prior to taking the MCAT
